Tools	Git, GitHub, Maven, Jenkins, Gradle, Docker

Work Experience

Full Stack Development Intern **Aug 2024 – Dec 2024**
Allsoft Infotech & Multimedia Pvt. Ltd.

- Built responsive web pages using HTML, CSS, JavaScript, and Bootstrap.
- Worked with PHP and MySQL for backend connectivity and data retrieval.
- Assisted with REST API integration and application development.

Projects

E-Commerce Web ApplicationFull-Stack Project Java 21, Spring Boot, React.js, TypeScript, MySQL, Maven, REST APIs

- Developed a full-stack e-commerce application using React.js and TypeScript for the frontend and Java Spring Boot for the backend.
- Implemented a layered backend architecture using Controller, Service, Repository, Entity, and DTO layers for maintainable code.
- Designed and integrated a MySQL database to manage users, roles, products, inventory, shopping carts, orders, and order items.
- Developed REST APIs to support product management, cart operations, and order processing with frontend-backend integration.

56 Car Rentals – Self-Drive Car Rental Website
HTML5, CSS3, JavaScript, Bootstrap

- Developed a responsive car rental website featuring vehicle listings, car specifications, passenger capacity, and rental pricing.
- Implemented frontend car search and filtering interfaces to help users explore vehicles based on their preferences.
- Built interactive UI components, including a mobile navigation menu, testimonial slider, FAQ section, and animated content counters.
- Enhanced user experience with scroll-triggered animations, responsive layouts, and structured vehicle information.

Certifications

- **Full Stack Development Internship** – Allsoft Infotech & Multimedia Pvt. Ltd.
- **Web Design & Development** – Skill India Digital Hub / NSDC.
- **Frontend Development** – Infosys Springboard
